

African Insect Science for Food and Health

Information Resource Centre

By Arnold Mwanzu

ICIPE IRC uses KOHA library management system which hosts an online catalog to enable users find a book by either Identifying it by;

- Author
- Title
- Subject
- The date of publication

Go to the library website

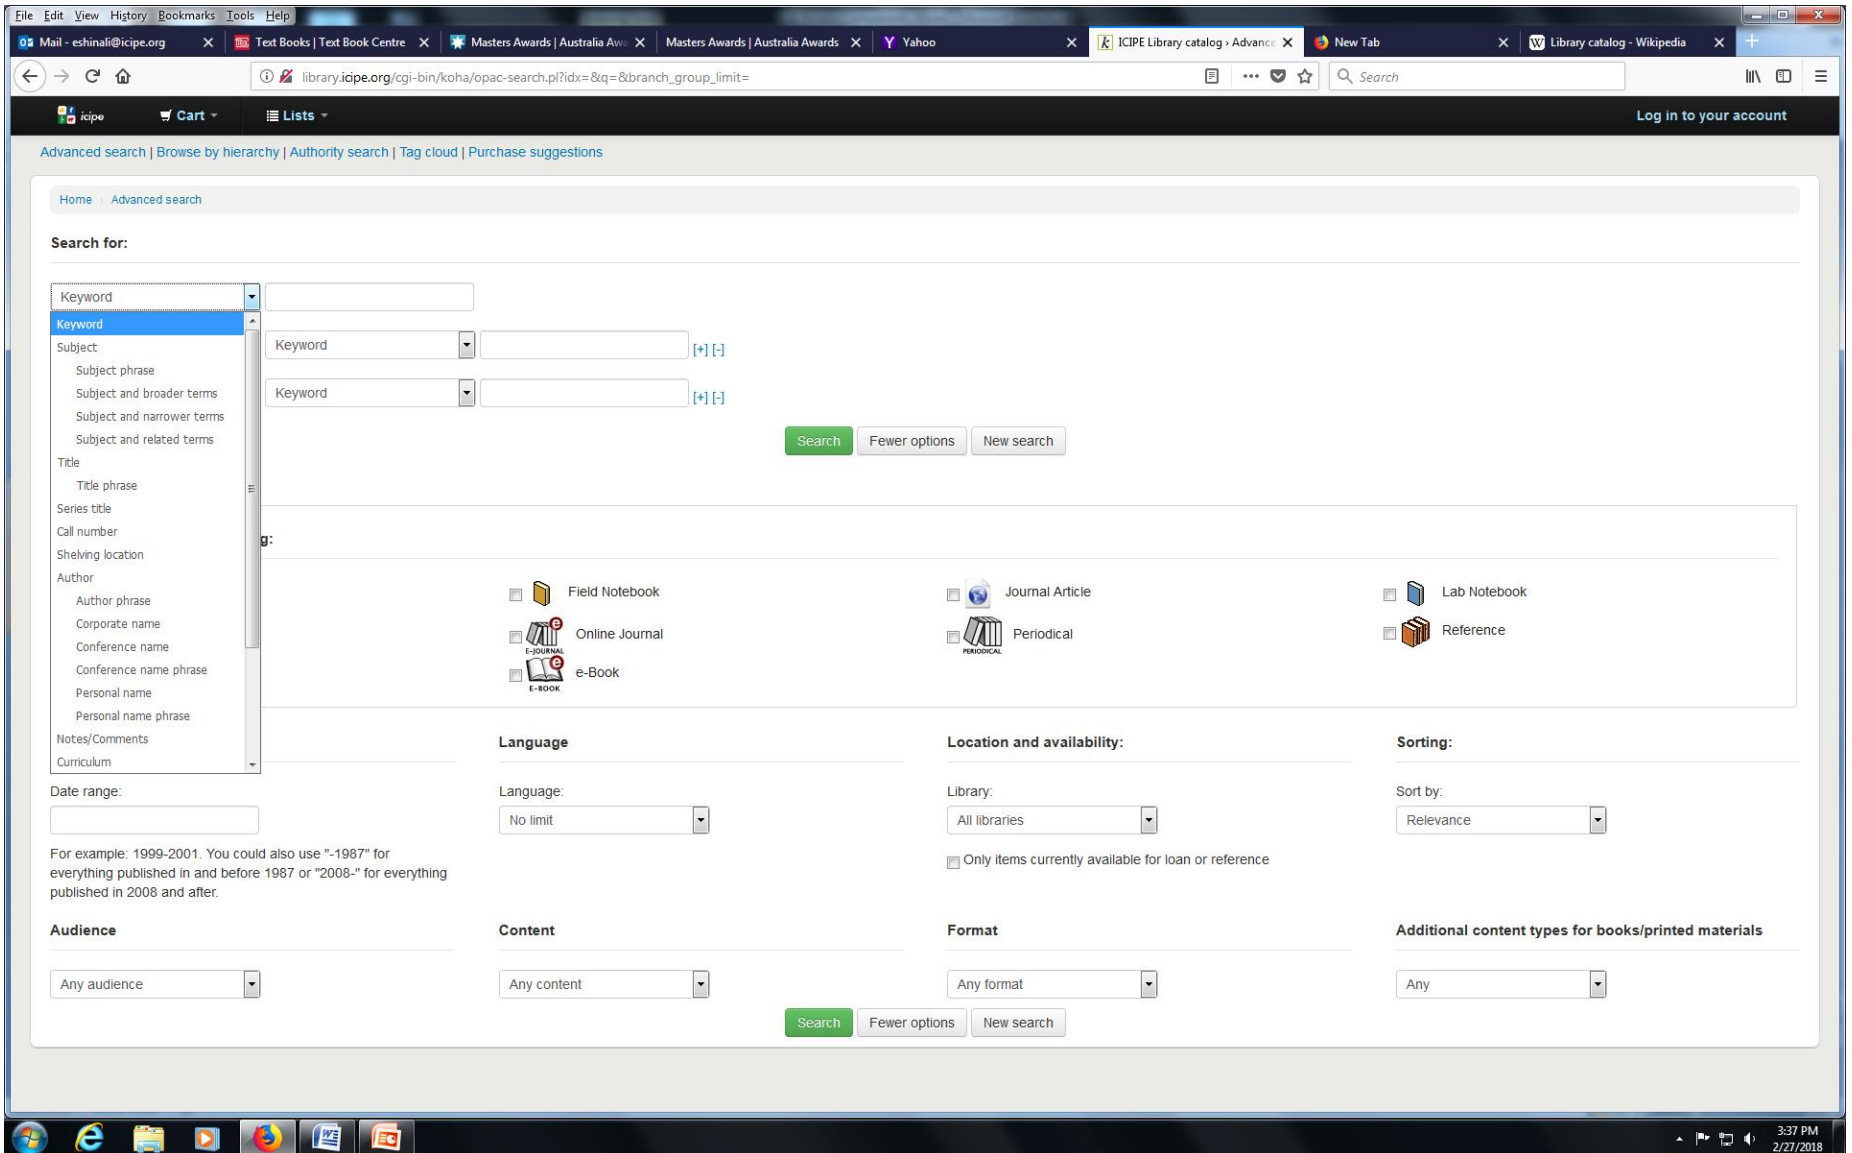

<http://cbid.icipe.org/apps/library/index.php>

click on library service tab then select library catalog or Click on the link

http://library.icipe.org/cgi-bin/koha/opac-search.pl?idx=&q=&branch_group_limit=

Type the title, author or subject of the information material you want to search in the keyword search box

ICIPE CATALOG

The screenshot shows a web browser window displaying the ICIPE Library catalog's advanced search page. The browser's address bar shows the URL: `library.icipe.org/cgi-bin/koha/opac-search.pl?idx=&q=&branch_group_limit=`. The page header includes navigation links like "Home", "Advanced search", "Browse by hierarchy", "Authority search", "Tag cloud", and "Purchase suggestions".

The main search area is titled "Search for:" and features a dropdown menu on the left with the following options: Keyword, Subject, Subject phrase, Subject and broader terms, Subject and narrower terms, Subject and related terms, Title, Title phrase, Series title, Call number, Shelving location, Author, Author phrase, Corporate name, Conference name, Conference name phrase, Personal name, Personal name phrase, Notes/Comments, and Curriculum. The "Keyword" option is currently selected.

Below the dropdown, there are two search input fields, each with a "Keyword" label and a dropdown arrow. To the right of these fields are two buttons: "Search" (green) and "Fewer options" (grey). Below the search fields, there are three columns of content type icons with checkboxes:

- Field Notebook
- Journal Article
- Lab Notebook
- Online Journal
- Periodical
- Reference
- e-Book

Below the content type selection, there are four filter sections:

- Date range:** A text input field with a placeholder "Date range:". Below it, a note reads: "For example: 1999-2001. You could also use '-1987' for everything published in and before 1987 or '2008-' for everything published in 2008 and after."
- Language:** A dropdown menu currently set to "No limit".
- Location and availability:** A dropdown menu currently set to "All libraries". Below it, a checkbox is labeled "Only items currently available for loan or reference".
- Sorting:** A dropdown menu currently set to "Relevance".

At the bottom, there are three more filter sections:

- Audience:** A dropdown menu currently set to "Any audience".
- Content:** A dropdown menu currently set to "Any content".
- Format:** A dropdown menu currently set to "Any format".

At the bottom right, there is a section for "Additional content types for books/printed materials" with a dropdown menu currently set to "Any".

At the bottom of the page, there are two "Search" buttons (green), "Fewer options" (grey), and "New search" (grey).

The browser's taskbar at the bottom shows the Windows Start button, several application icons (including Internet Explorer, Firefox, and a PDF viewer), and the system tray with the time 3:37 PM and date 2/27/2018.
