Objective

- The outcome of this session is to equip users with an understanding of the e-resources which icipe IRC has subscribed or open access.

Access

- The IRC through The Kenya Library and Information Services Consortium (KLISC) has access to well over 18,780 e-journals and ~20,000 eBooks, e-journals and reports
- Bibliotheca Alexandrina Information for Africa (BAIFA) has a partnership with *icipe* IRC that sees them provide access to all Science Direct resources. Science Direct resources include all Elsevier journals, Scopus [the largest abstract and citation database of peer-reviewed literature], and Reaxys [a web-based tool for the retrieval of chemistry information and data from published literature].

Subscribed Resources

- Go to <http://cbid.icipe.org/apps/library/index.php/subscribed-e-resources>
- The IRC has subscribed to up to 25 databases with peer reviewed journals and e-books (through KLISC)

- IP authentication
- User names and Passwords
- Active Directory on off campus access

Digital Repository

The screenshot shows the homepage of the icipe Digital Repository. At the top, there is a navigation bar with the icipe logo and the text 'INTERNATIONAL CENTRE FOR INSECT PHYSIOLOGY AND ECOLOGY'. Below this, there is a search bar with a 'Go' button and a link to 'Advanced Search'. The main content area is divided into several sections: 'icipe Digital Repository' with a brief description, 'Communities in icipe Digital Repository' with a list of categories, 'Recently Added' with a list of recent publications, and a 'Discover' section with a list of authors and subjects. The right sidebar contains a 'Browse' section with links to 'All of DSpace', 'Communities & Collections', 'By Issue Date', 'Authors', 'Titles', and 'Subjects'. Below this is a 'My Account' section with links to 'Login' and 'Register'. At the bottom, there is a 'Date Issued' section with a list of years and the number of items for each year.
